## Langara Ladies Golf Club

### About Our Club – some information for new members

Langara Ladies Golf Club is an active member of the BC Golf Association and Golf Canada. The aims of the club are to promote the game of golf for women, encourage fair play and friendship and to promote the understanding of the Rules of Golf.

We play every Tuesday morning between the months of April to October inclusive. Through an agreement with the Vancouver Parks Board we are guaranteed tee times and we pay the regular rates individually for each game. **Also, the Parks Board requires us to complete our round in 4:10 – slow play will not be tolerated. There is a fun** competition each week plus on selective weeks there are trophy competitions for those who wish to enter. The draw is randomly selected so you will play with different members each week.

We have two teams in the BC Golf Womens Zone 4 league, for those who wish to play in a more competitive, but friendly, atmosphere against other clubs.

Your annual membership fees go towards membership of the BC Golf Association and Golf Canada. We have social events throughout the year, some of which are covered by your fees, including the Club Championship lunch and the AGM lunch. The fees also cover other miscellaneous club costs, such as the website, and a couple of donations to the Inner City Youth Golf Program and the BC Golf House Society.

When you join our club you will be assigned a buddy, who will guide you through all aspects of the club, accessing the website, signing up for the weekly games, introducing you to other members etc. We hope you will consider joining our club.
